

# Unlock Your Brokerage's Full Potential

## Why Choose Us?

At Hybrid Solutions, we empower traders and financial institutions with the most advanced and reliable trading technology.

- 01 Experience and History**  
With a long history dating back to 2002, we bring unmatched experience to the trading technology industry.
- 02 Keeping Up with the Trends**  
Stay ahead with our platform's continuous updates and innovative features.
- 03 Standalone Mobile Experience**  
Trade seamlessly on iOS and Android devices with our user-friendly mobile app.
- 04 Rich Back End**  
Our comprehensive BackOffice management tools streamline operations for your trading business.
- 05 Powerful Integration**  
Connect to external systems, liquidity providers, CRMs and more with our API Tool Kit.

# Introducing VertexFX Standalone Mobile Application

## Key Features

- 1. Trade Anywhere, Anytime**  
Offer access wherever your clients are. Help them stay on top of market trends and never miss a trading opportunity again.
- 2. Enhanced Brand Visibility**  
Your app will have its own branded profiles on Google Play and App Store, displaying your contact details, client feedback, and download count.
- 3. Push Notifications**  
Deliver personalised messages, market analysis, and time-sensitive updates to your clients. Stay connected and keep them engaged.
- 4. User-Friendly Interface**  
Navigate the app and execute trades with just a few taps.
